

Trojan email example 1

From: Postal Support Amanda Khan
[support@dhl.co.uk]

Subject: DHL Customer Services. Please get your parcel
NR.5812

Hello!

The courier service was not able to deliver your parcel at your address.

Cause: Mistake in address

You may pickup the parcel at our post office personally.

The delivery advice is attached to this email.

Print this label to get this package at our post office.

Please do not reply to this email, it is an unmonitored mailbox!

Thank you,

DHL Express Services.
